HHF fights to preserve life in Haiti against Covid-19
Dear friends of HHF,

First and foremost, we hope that you and your loved ones are staying safe and healthy through these very difficult times. As we all navigate through these uncharted waters of the COVID-19 pandemic, we wanted to respond to the many of you we’ve heard from, asking how you can help.

In these unprecedented moments, we know that the communities we serve will be looking to us to provide lifesaving health care and prevention education. Since mid-February, HHF has been working to prepare for Covid-19, restructuring our medical facilities and procedures, securing protective equipment, and purchasing needed supplies.

HHF has also increased our community mobilization and education activities – facts about spreading Covid-19, handwashing and social distancing - in an effort to reduce the rate of infection in our area.
Yet, not having soap and water (something we sometimes take for granted) makes it that much more difficult to wash one’s hands.

A few ways you might consider making a positive impact:

Many of the people HHF serves cannot even afford a bar of soap. **For a gift of $25, you can provide a vulnerable Haitian family with a simple Hygiene Kit: bars of soap, liquid soap, Clorox. Your gift will help a household protect themselves and others from infection.**
Water is scarce in Haiti, and hand-washing is a challenge. **For a gift of $50**, you can provide a hand-washing station to a neighborhood.

There is very little food available, and what is available grows more expensive every day. This is leading to rising malnutrition in our area as HHF is seeing more and more children and pregnant women experiencing malnutrition. **A gift of $100** will supply enough food to help three families for 1 month.

We know that this is a difficult time for everyone, but if you are able to make a gift, however small, it may literally be life-saving.

Thank you, and again, best wishes to you for safety and health.

*Mesi anpil pou tout bagay ou fe pou nou! Thank you very much for everything you do for us!*
